

Republican Business Women of Bexar County

We mean business!

- Be informed on issues
- Meet local and statewide candidates and elected officials
- Participate in the political process
- Meet new friends with common goals

The **RBW** local club gives women an opportunity to hear Republican candidates and office holders speak, volunteer for candidates of their choice, keep informed of activities of the Legislature and Congress, learn about the political process, and raise funds for Republican candidates for public office. We are proud of our Literacy and Scholarship initiatives. RBW is a unique group of women who are known for our *can-do* ability. Many of our members work, so we make every effort to stick to our meeting agenda. Our regular meetings are the second Thursday, September through May, from 11:30 a.m. - 1:00 p.m. Meeting locations are announced in the monthly newsletter that all members receive. We enjoy socializing while lunching and at our fundraisers, as well as while working on various projects. Our reputation is that of a *working club* and we are proud of it! We invite you to be a part of our group and welcome you to join us for our next luncheon meeting. If you would like additional information about joining, please contact:

Jana Raschbaum, VP Membership 210-478-6633 or Dee Brame, President at 210-493-5512
